Wed 21st September Wk 9 2.10pm

Fri 30th September

End of Term 2.00pm

OSHC facilities are available. Bookings essential please.

WOW!!!

It is a great privilege to watch our students excel. I had the great pleasure along with many of our parents and staff to watch our students perform at the Adelaide Entertainment Centre in the primary rock and roll eisteddfod last week.

Having the opportunity to experience what it is like to be both back stage and on stage at both the Adelaide Entertainment Centre and the Adelaide Festival Theatre is a very special opportunity open to students at MVES who take on the challenge to perform in Wakakiri or in Choir.

Cont.....

Our students demonstrated all the things we pride at our school; persistence, optimism, respect and hard work. They have spent the last four months testing out ideas, working in teams, giving feedback, adapting and changing to perfect their performance.

On their first production it was also an amazing effort that they won "The Most Sustainable Production" award!

I want to take this opportunity to thank Ms Belinda McHendrie and Ms Karen van Hatterm for all their work with the children to allow this event to happen.

In two weeks our Choir students will perform at the Festival Theatre and we wish them all the best. Thank you to Ms Bron Hern who donated her time to support the choir, to Ms Michele Byrne who has supported over the last month and Ms Sonia Cooke who has overseen the organisation.

Jump Rope for Heart!

For the first time in over five years Morphett Vale East School is taking part in the nation-wide Heart Foundation's Jump Rope for Heart program.

Jump Rope for Heart is a great way for your child to keep fit and learn new skills but it also helps raise funds for vital heart research and education programs.

Our Jump Rope for Heart skipping and fundraising program kicked off last Wednesday with our Launch Day assembly, and will be running until our 'Jump Off' day, which will be Friday 30th September (Week 10 this term). Students can register on our schools Jump Rope For Heart fundraising page at

<http://jumprope.everydayhero.do/jumprope2016/?group=Morphett-Vale-East-Schools-MORPHETT-VALE-SA-119564>.

Here, your child can create their very own fundraising page and start collecting donations. Or you can collect cash donations and record it using the sponsorship form sent home. Cash donations will be collected at the school finance office at the end of the term.

The students will be learning new skipping skills over the next few weeks and there will be ropes available to practice at lunch times.

We look forward to seeing our students develop their skills and improve their heart health.
